Mandatory Parental Participation

Registration and participation in the Sandwich Pop Warner Program will involve a time commitment from each child's parent or guardian.

Commitments include various activities through out the season, which runs from January to December. Activities include, but are not exclusive to, working the concession stand, holding yardage line markers, running the scoreboard, announcing games, chaperoning dances, promoting fundraisers, field maintenance, and/or being a team parent.

Each parent or guardian will be expected to chose and participate in at least **two Sandwich Pop Warner activities per player** during the season. For example, if you have three children in the program, you will be expected to participate in at least six total activities during the season.

Failure to sign this Mandatory Parental Participation form at registration will nullify all other registration forms, and will not allow your child to participate in the program.

The Sandwich Pop Warner Executive Board holds the right to call any parent/guardian to an Executive Board meeting at any time during the season to explain why they have not fulfilled their obligation regarding the Mandatory Parental Participation. The executive board also reserves the right to temporarily suspend or terminate any player/spirit whose parent or guardian refuses to attend an executive board meeting or to meet their Mandatory Parental Participation obligation during the season.

With your help and support, we look forward to a winning season for all of us!
